

#### Beach Week:

Have some fun in the sun and stick your toes in the sand. So, we may not be by the ocean, but we can sure pretend! Join us for a week full of Limbo, Sandcastle contests, sand volleyball fun, sea shell art and enjoy a fun fruity umbrella drink at lunch.

#### Back to Nature:

From bugs to birds and trees to animal tracks, we will get a good dose of “Vitamin N” this week when we explore the natural world around us. The Allegheny Park Rangers will be visiting this week, so you don’t want to miss out.

#### Dino-mite Dinosaurs:

A favorite across the board, everyone loves DINOSAURS! We will have a MEGALITHIC good time with dinosaur games, crafts, activities and more. This week we will be taking a **Field Trip** to the **National Aviary** so make sure to come hang out with us before the week is extinct.

#### Christmas in July:

There may be no snow on the ground but that doesn’t mean we can’t get in the holiday spirit in the middle of summer! Get festive with us while we design ugly “sweaters”, play some reindeer games, and drink Cold Hot Chocolate (wait, isn’t that just chocolate milk? Shhhhh...) -No program July 4<sup>th</sup> & 5<sup>th</sup>. This is a PART TIME week.

#### Amazing Animals:

Get wild this week when we celebrate our favorite four-legged friends! Crafts, games, and trail hikes are just a few of the fun things have in store. And you definitely can’t miss out on our annual **Field Trip** to the **Pittsburgh Zoo and Aquarium!**

#### A Water-ful Week:

Water is all around us and we can’t live without it, literally. Let’s get down to the science of water, where does it go, how do we use it, can we make new and better water habits at home and at play? Also, did we mention Moon Park now has a SPASH PAD?! Cool off this week with fun, games, and water-ful learning activities.

#### Spaced Out:

We will shoot for the stars this week when we explore spacey facts and fiction. Have an out of this world time with bingo, art projects, games and more. You will be over the Moon when we take a **Field Trip** to the **Carnegie Science Center** is this week!

#### Random Acts of Kindness:

Let's be shining examples of the amazing power that kindness has in the world! Make some friendship bracelets, paint kindness rocks, and learn what it means to pay it forward. Kindness is contagious so let's spread it around!

#### Halloween in August:

Ok, we have heard of Christmas in July, but Halloween in August? Sure! Why not?! Dig out your costumes because we are going trick or treating in the park. Spooky stories, black cat crafts, and ghostly games are just a few of the treats we have in store for you this week.

#### End of Summer Celebration:

Every day is a bittersweet party while we celebrate the end of summer and send our campers off to another great school year. Our crazy mud slide, a dance party, and a hotdog cookout is just a few things we have planned for this week packed with fun while we enjoy the last days of summer vacation.
